* Vice-Chair ERT

About ERT

ERT is a forum bringing together around 60 Chief Executives and Chairs of major multinational companies of European parentage covering a wide range of industrial and technological sectors. ERT aims to promote the competitiveness and sustainable growth of Europe's economy.

- ERT derives its strength from the commitment and personal involvement of its Members.
- Membership is personal, not corporate, and by invitation only.
- Formed in 1983 to promote concerted and decisive action at European level to improve competitiveness and innovation.
